Equity Movement & Breach Analysis

Your balance before the drawdown sequence was $1,938.09. The daily protection line sat at $1,900.00, and the equity curve fell through that level to $1,899.83, which is why the account was breached.

Open Positions at Breach

Symbol	Ticket	Floating PnL	Time
BTCUSDm	2624286108	-$19.30	21:45
BTCUSDm	2624286246	-$18.96	21:45

Risk Guidance

- Always use stop-loss to control downside risk
- Avoid stacking multiple high-risk positions
- Monitor equity, not just balance
