MACHEFUNDED

Breach Report

Account: 435366798
Challenge ID: CH-9020
Trader: John Doe
Email: lucky@example.com
Account Size: $10,000
Phase: Phase 1
Challenge: Two Step
Platform: MT5
Status: Breached

Minimum Trade Duration Breach

The account breached the minimum trade duration rule after multiple trades were closed too quickly. This triggered the automated violation threshold.

Key Metrics

Peak Balance	Balance Before Trade	Equity at Breach
$10,080.00	**$10,012.00**	**$9,988.00**

Daily Limit	Max DD Limit	Breach Time
$9,500.00	**$8,900.00**	**21 Apr 2026**

Equity Movement & Breach Analysis

No equity curve is shown for this breach type. This report focuses on the exact rule violation details instead.

This breach was not caused by equity crossing a drawdown line. It was triggered because multiple trades were closed before the minimum required holding period, which violated the program rules.

Open Positions at Breach

Symbol	Ticket	Floating PnL	Time

Early Closed Trades That Triggered Breach

EURUSDm • Deal 7812451 • Duration 1.42 min • Closed 21 Apr 2026 10:13

GBPUSDm • Deal 7812457 • Duration 2.05 min • Closed 21 Apr 2026 10:19

XAUUSDm • Deal 7812470 • Duration 2.48 min • Closed 21 Apr 2026 10:31

Risk Guidance

- Let trades develop before closing
- Avoid ultra-short scalping patterns
- Track hold time per trade
